

ORDINANCE NO. 2008-14

CENTER POINT CURFEW HOURS, ENFORCEMENT, AND PENALTIES FOR VIOLATION OF THE GENERAL CODE OF THE CITY OF CENTER POINT, ALABAMA

WHEREAS, the City Council has determined that there has been an increase in juvenile violence, juvenile gang activity, and crime by persons under the age of 18 in the City of Center Point; and within the cities surrounding the City of Center Point;

WHEREAS, the City of Center Point is concerned for the safety and welfare of its citizens in light of said increase in violence in this City and in the surrounding cities, particularly since the passage of curfew law(s) in the surrounding cities. The City is concerned that said enforcement of said curfew laws may force said juvenile violence, juvenile gang activity, and crime by persons under the age of 18 into the City unless the City also acts proactively;

WHEREAS, persons under the age of 18 are particularly susceptible by their lack of maturity and experience to participate in unlawful and gang-related activities and to be victims of older perpetrators of crime; and

WHEREAS, the City of Center Point has an obligation to provide for the protection of minors from each other and from other persons, for the enforcement of parental control over and responsibility for children, for the protection of the general public, and for the reduction of the incidence of juvenile criminal activities; and

WHEREAS, a need has been shown for the City of Center Point to provide for the protection of minors from each other and from other persons in the City of Center Point, for aiding parents in carrying out their responsibility to exercise reasonable supervision of their children, for the protection of the general public, and for the reduction of the incidence of juvenile criminal activities; and

WHEREAS, the victimization of minors and the involvement of minors in crime and violent crime is at an unacceptable and alarming level compelling the City Council to adopt this ordinance for the public good, safety and welfare; and

WHEREAS, THE Council of the City of Center Point finds that a curfew of those under the age of 18 will be in the best interest of the public health, safety, and general welfare and will help attain the foregoing objectives and to diminish the undesirable impact of such conduct on the citizens of the City of Center Point.
